DETAILED ACTION

Allowable Subject Matter

1. Claims 1-23 are allowed.

2. The following is an examiner's statement of reasons for allowance: a system for allocating an excess space associated with a primary component and method thereof including the unique features of 'a microprocessor capable of determining the excess space associated with the primary component and identifying at least one information insert compatible with the excess space that is to be associated with the primary component' in combination with the rest of the claim language is not taught or fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following are cited to show the art with respect to mailing systems having microprocessor for applying inserts to mailings: Flores et al., Stikkelorum et al., Brewster, Jr. et al., Pettner and Hart, Jr. et al.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gene O. Crawford whose telephone number is 703/305-9733. The examiner can normally be reached on Monday thru Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Ellis can be reached on 703/308-1113. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
